

## TOUR PREFERRED rac COMBO SET

Forgiveness in the Long and Middle Irons  
Feel and Playability in the Short Irons

### FEATURES

#### Three Different Iron Models

##### rac CB Irons – 2 thru 6 iron

- Perimeter weighting provides greater forgiveness in middle and long Irons
- Coin-forged cavity back delivers outstanding Feel
- Blade-like features include compact shape, thin sole and thin topline

##### rac MB Irons – 7 thru 9 iron

- Coin-forged muscleback
- Provides greater variety of shots for skill players
- Thin sole and topline provide keen workability and shotmaking precision to get the ball closer

#### rac 48-degree Chrome Pitching Wedge

- Classic Tour-proven teardrop head shape and thin sole allow for crisp shots with full swings or touch shots from greenside
- Dual-Draft Grooves individually milled into clubface delivers high degree of backspin with dramatic consistency

### COMMON FEATURES

- All irons in the Tour Preferred rac Combo Set incorporate TaylorMade's patented rac technology, characterized by two distinctive Feel Pockets that channel impact energy to strategic areas of the club head, enhancing the kind of soft-yet-solid feel that golfers love
- Equipped with Dynamic Gold shafts in R, S and X flexes, and Lamkin Crossline grip with TM logo
