

“ With the SLDR iron we’ve combined the classic shape and compact size that better players want with cutting-edge performance-enhancing technologies that make it long and forgiving – no easy feat.

BRET WAHL
VICE PRESIDENT
IRON, WEDGE AND PUTTER R&D

“ The SLDR iron’s classically shaped and sized clubhead has universal visual appeal. It incorporates our new SpeedPocket with ThruSlot Technology, which produces fast ball speed and high launch across the face for distance and consistency, while also promoting soft feel and sound.

TOMO BYSTEDT
DIRECTOR
IRON, WEDGE AND PUTTER CREATION

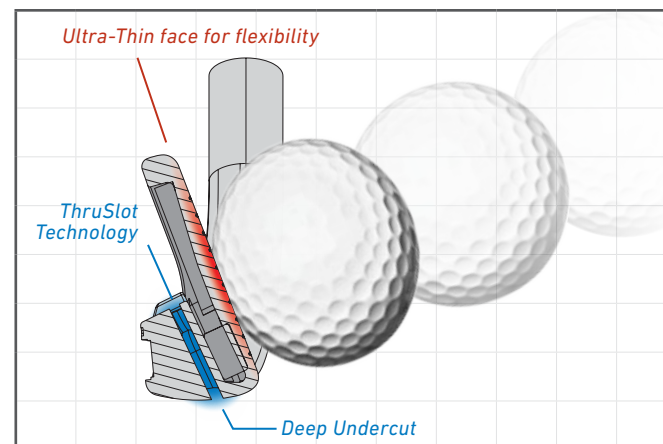

Technology you can see. Performance you can feel.

TARGET:

All players who want the best of both worlds — a traditionally shaped and sized iron that also has modern performance technology that enhances distance, launch angle and forgiveness.

- ▶ New and improved Speed Pocket with ThruSlot Technology promotes fast speed and high launch across the face.
- ▶ Modern-classic shape, slim topline and thin sole for superb look and playability.
- ▶ Complex vibration-dampening system delivers Tour-caliber sound and feel.
- ▶ Consistent gapping and precise distance control throughout the set.
- ▶ New KBS Tour C-Taper 90 designed to promote high launch, and spin control
