

M1 Rescue features a Tour-inspired shape with trajectory personalization for increased performance from any lie.

PERSONALIZED PERFORMANCE IN A TOUR-INSPIRED SHAPE

- ▶ **Tour Inspired Shaping** – Built with a compact shape for versatility in a variety of conditions
- ▶ **Two Moveable Weights** – One 3g and one 25g weight can be adjusted for neutral or fade bias
- ▶ **Speed Pocket** – Protects ball speed on off-center hits
- ▶ **Loft Sleeve** – 3° (+/- 1.5°) sleeve for face angle, loft and lie preference
