

“The M2 fairway features significant, meaningful performance & technology at an affordable price; the multi-material construction combined with our most aggressive Speed Pocket delivers world class performance from the tee and off the fairway.

BRIAN BAZZEL
SENIOR DIRECTOR
METALWOOD PRODUCT CREATION

Dominant Performance in Every Detail

► Engineered to deliver exceptional distance and feel via multi-material construction:

- Carbon composite crown for low center of gravity that combines with our most flexible Speed Pocket for hot fairway wood trajectory
- Shallow head design for ultimate playability from a variety of lies
- Beautiful black and white carbon crown for added confidence at address
- Fluted hosel design that provides superior sound and feel without compromising distance
