

OS DAYTONA

OS MONTE CARLO

OS SPIDER

“The new OS and OS CB putters offer a revolutionary combination of a traditional shape AND high MOI. Each putter is uniquely crafted with hollow body construction for increased stability, and filled with our proprietary foam to deliver TOUR-validated sound and feel.”

GO BIGGER; GET BETTER... MAKE MORE PUTTS

► Performance by Design

- Oversized heads increase stability at impact, ensuring a straighter roll with more putts that start on line and finish in the hole
- Vertical-milled insert allows for better ball-gripping, resulting in improved roll, sound, and feel

► Effortless Alignment; Beautiful Finish

- Raised, high-contrast sightline makes alignment easier
- Skin-milled surfaces offer the ultimate in high-quality finishing for a precise and polished look
