IRONS / WEDGE

PUTTER

BAG

From the no.1 driver company in golf comes a 400cc titanium driver designed to provide incredible distance, forgiveness, and easy launch. We've created a driver that delivers all-around performance rarely seen in a junior set.

A stainless steel head with a low-profile that is designed to provide easy launch off the tee and from the fairway. The larger head size will provide added forgiveness and promote confidence at address.

The versatile, stainless steel head design makes PHENOM the first Rescue club that junior golfers will be genuinely excited to hit. The easy launch and long distance will help bridge the gap between their fairway wood and irons.

7 IRON / 9 IRON / SANDWEDGE

Easy-to-play, perimeter-weighted heads with plenty of offset help square the face at impact, enabling high, straight shots with greater accuracy. The multi-functional sole is designed to provide easy playability from a variety of lies and turf conditions.

A face-balanced, center-shafted mallet has been designed for easy alignment and soft feel. Heel-toe weighting works to provide forgiveness on mis-hits, while the specially designed grip offers optimum stability.

An ultra-lightweight stand bag with dual ergonomic straps and plenty of storage for the junior golfer.

SET CONFIGURATIONS

K40	5-8 Years Old	D, R, 9, SW, PTR, Bag
K50	9-12 Years Old	D, FW, R, 7, 9, SW, PTR, Bag

SHAFTS

Shafts have been flex-optimized and made to exacting lengths to help develop proper fundamentals.

GRIPS

Grips have been developed to meet the needs of smaller hands, allowing proper feel throughout the swing.

“ TaylorMade PHENOM sets are precision-engineered to provide the optimal length, weight, loft, shaft flex, and grip size to promote proper swing mechanics for young golfers. The PHENOM set includes every club necessary to gap their distances and execute all types of shots from tee to green so they can develop their skills and grow their passion for the game.”
